This Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-833-212-0851. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or www.cciio.cms.gov or call 1-833-212-0851 to request a copy.

| Important Questions | Answers | Why this Matters: |
|--|---|---|
| What is the overall deductible? | In-Network \$1,500 person/ \$4,500 family. Out-of-Network \$4,500 person/ \$13,500 family. | Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . |
| Are there services covered before you meet your deductible? | Yes. In-Network <u>Preventive care</u> services are covered before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the deductible amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | You don't have to meet <u>deductibles</u> for specific services. |
| What is the out-of-pocket limit for this plan? | In-Network \$4,500 person/ \$9,000 family. Out-of-Network \$9,000 person/ \$18,000 family. | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the out-of-pocket limit? | <u>Premiums</u> , <u>balance-billing</u> charges and health care this <u>plan</u> doesn't cover. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |
| Will you pay less if you use a network provider? | Yes. See www.MyHealthToolkitFL.com or call 1-800-810-BLUE (2583) for a list of network providers. | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a referral to see a specialist? | No. | You can see the <u>specialist</u> you choose without a <u>referral</u> . |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
