

## **Merchandise Discount Program**

One of the most amazing things about working at Fanatics is our merchandise discount program. Fanatics employees receive 40%--that's right—40% off of all regularly priced merchandise plus free shipping. The discount can be used online at the Fanatics Employee Fan Site or at any of our Retail locations when you present your employee ID. The employee discount is intended for personal use by employees which may include the purchase of gifts for friends and family. Employees are prohibited from reselling merchandise purchased using the employee discount. For details regarding our current discount offerings please see your supervisor.
