IDENTITY, FINANCIAL AND PRIVACY PROTECTION

Enjoy peace of mind, financial reassurance and time saving expertise with InfoArmor's comprehensive identity protection plan PrivacyArmor.

Identity and Credit Monitoring. Enjoy peace of mind with proactive monitoring for the most damaging types of fraud.* Uncover and resolve issues early to help minimize damages. Your credit is monitored through TransUnion, Equifax and Experian.

Credit Scores and Reports. Stay informed and protect your financial assets by detecting credit misuse quickly. Access a monthly credit score and a credit report each year from TransUnion.

Threshold Monitoring. Gain control of your finances as you set limits on and manage all transactions, from all your accounts in one place.

Financial Transaction Monitoring. Stay ahead of fraud with alerts that are triggered from additional data sources on credit, debit and checking accounts.

Social Media Reputation Monitoring. Actionable alerts help defend you and your family from reputational damage or cyberbullying. We monitor Facebook, LinkedIn, Twitter, and Instagram profiles.

Wallet Protection. Minimize stress and potential damages. InfoArmor can easily replace the contents of a lost or stolen wallet through an online, secure vault that conveniently stores important documents.

Digital Exposure Report. Take control of your privacy. Our deep internet search creates a snapshot of your exposed information online.

Privacy Advocate[®] Remediation. Have an expert on your side to guide you through the identity restoration process and fight back against identity thieves.

\$1,000,000 Identity Theft Insurance Policy. If you are a victim of fraud, we will reimburse your out of pocket costs to reinforce your financial security.[†]

Solicitation Reduction and IdentityMD. Reduce unwanted calls, mail and preapproved credit offers and receive guidance on how to limit exposure to fraud.
