

**A MESSAGE FROM THE PRESIDENT OF
THE UNIVERSITY OF ARIZONA GLOBAL CAMPUS**

(This message will be sent to all Global Campus students.)

Dear Global Campus Students,

I am pleased to share that Ashford University is now the University of Arizona Global Campus (Global Campus)! [Dr. Nivine Megahed](#), Chair of the newly formed Global Campus Board of Directors [announced](#) this morning that the transaction is complete.

Dr. Megahed is the 11th president of National Louis University, one of the Chicago area's oldest and most innovative nonprofit universities. She brings more than 30 years of experience, during which she has focused on making higher education more accessible for students of all backgrounds. I look forward to working with Dr. Megahed and our new [board of directors](#) in creating an exciting future for the university.

Currently enrolled students will, of course, be able to continue their studies without interruption. Global Campus has been established as a separate university with its own academic programs, faculty, and accreditation. The university will continue to be accredited by the WASC Senior College and University Commission (WSCUC). Global Campus is working to achieve nonprofit status when the required regulatory approvals are in place.

Please refer to these Frequently Asked Questions for more information and reach out to your advisor if you have questions.

Be sure to check out our new Global Campus [website](#). Celebrate with us at a [Facebook Live event](#) on Wednesday, December 2 where you will learn more about this exciting new step for the university. [Follow us on Facebook](#) for more details.

While our name has changed, our commitment to you as you pursue your educational and personal goals has not. Welcome to the Global Campus community!

Sincerely,

Craig D. Swenson, Ph.D.

President
